Heart of Pomegranate

POMEGRANATE HEART with OXY4

Ready-to-drink food supplement based on:

- Pomegranate - has an antioxidant effect
- Red grape vine - supports regular cardiovascular function
- Bilberry - promotes microcirculation function
- Quercetin

Pomegranate juice is a dietary supplement based on pomegranate juice, with Oxy4 blend of titrated plant extracts and quercetin.

Indications: Pomegranate fruit has antioxidant activity. Red Vine leaves have antioxidant activity, support the regular function of the cardiovascular system and promote microcirculation. Bilberry fruit has antioxidant activity and promotes microcirculatory function.

How to use

Take 20 ml a day, pure or diluted in water or drink as desired. Shake before use.

Functional Actives	Average functional active ingredients per maximum recommended daily dose (20 ml)
Pomegranate fruit juice concentrate 4:1	19,9 g
Pomegranate fruit dry extract Of which ellagic acid	10 mg 4 mg
Red grape leaves dry extract Of which polyphenols	10 mg 0,5 mg
Bilberry fruit dry extract Of which anthocyanins (as cyanidin 3-o-glucoside)	10 mg 0,1 mg
Quercetin	0,98 mg

Ingredients: Pomegranate (*Punica granatum* L.) fruit juice from concentrate 4:1, Pomegranate (*Punica granatum* L.) fruit d.e. tit. * 40% ellagic acid, Red grape vine (*Vitis vinifera* L.) leaves d.e. tit. * 5% polyphenols, Bilberry (*Vaccinium myrtillus* L.) fruit dry extract * 1% anthocyanins calculated as cyanidin 3-o-glucoside, quercetin, preservatives: potassium sorbate and sodium benzoate. * titrated dry extract

Warnings

Do not exceed the recommended daily dose. Keep out of reach of children under 3 years of age. Food supplements should not be used as a substitute for a varied and balanced diet and a healthy lifestyle.

Storage

Store at room temperature, avoid exposure to localised sources of heat and sunlight and keep away from moisture. The shelf life refers to the product correctly stored in unopened packaging. Once opened, store in the refrigerator and consume within 30 days. Any sediment or suspended particles are a natural characteristic of the product and do not compromise its quality.

Gluten-free. Lactose-free. Free of flavourings and colourings. Suitable for vegetarians and vegans.

Format

500 ml bottle - 1 L
